SUMMARY

High school senior with hands-on experience in operating systems, hardware, and technical troubleshooting, looking to kickstart a career in IT. Certified in Windows device configuration and Microsoft Office, with a track record of solving problems quickly and supporting day-to-day team operations.

WORK EXPERIENCE

Junk Removal Crew Member (Seasonal)

Jun 2025 – Sep 2025

Jr's Junk Removal — Vancouver, WA

- Served an average of 3 residential and commercial clients per week, sorting items for disposal, recycling, or donation.
- Performed daily equipment inspections and maintenance, ensuring safe, reliable operation with zero safety incidents.
- Kept inventory 100% aligned with client removal requests, cutting waste and improving service speed.

VOLUNTEER EXPERIENCE

E-Waste Event — Team Leader

Mar 2026

Cascadia Technical Academy — Vancouver, WA

- Wrote clear step-by-step procedures so every volunteer knew their role, improving consistency across the event.
- Coordinated 5 separate teams during the event, catching problems early and keeping things on schedule.
- Managed shift scheduling and communication between leadership and volunteers.
